A donation of 50p can be made each week online on Parent Pay. All money raised is spent on resources for the children e.g. play equipment, event days, new books etc.

Things We Need To Know

Contact Information

It is very important that we are kept informed of any change of address or contact telephone numbers.

Talking to Staff

You know your child best! If there is anything that you are worried about please come and talk to us.

Appointments Out of School

When your child is ill or has a doctor/dental/hospital appointment, you do need to let us know. Children get the most out of their time at Nursery when they attend regularly - it helps them settle into a routine and make friends easily.

Holidays

Family holidays are NOT to be taken during term-time. Any requests for holidays during this time must be put in writing to Mrs Eccles.

Special Needs

One in five children have special needs at some time in their school life. If you have concerns about your child's needs or progress, please speak to your child's class teacher or contact the EYFS/KSI SENDCo; Mrs Bird.

Session Times

Nursery day times are:
Full time: 8.45am - 3.05pm

Your child must be brought to and collected from Nursery by a responsible person who is over sixteen years of age. Please talk to the staff about who this will be if it is not going to be yourself.

Please make sure that your child arrives on time and regularly.

The times for your child's first few days at Nursery will be different from the normal session times. It is extremely important to settle your child into the Nursery properly so that he/she is happy about coming and being left.

The first day you and your child will arrive at Nursery together, once he/she has settled we will ask you to leave for a very short time whilst we see how they cope.

After his /her first day we will discuss with you the next stage and the best way in achieving a settled, happy and full time child.

There are really no hard and fast rules with regard to settling

Parents as Partners

You have already been involved with your child's education. Think of all the things they have learned to do with you as a teacher at home.

As your child enters the Early Years Foundation Stage and moves on through school, we want you to be just as involved with their learning as you always have been.

We know that if we work together, it will help your child to be the best he/she can be.

It helps to do activities at home with your child. Throughout the year we will support you as best as we can to help with ideas and show you how children learn in our foundation stage.

Staff are always available at the end of the day if you need to talk to them.

Keep an eye on the school website and twitter for any news, events and important information updates.

Please note: a Nursery place does not guarantee a place in Reception class.
